

PREVENT

Prevent is a government strategy designed to stop people becoming terrorists or supporting terrorist or extremist causes.

The Prevent Strategy covers all types of terrorism and extremism.

At Fulbridge we have a responsibility to protect children from extremist and violent views the same way we protect them from bullying and violence.

FIRST AID

Pupils, members of staff or visitors that require medical attention should go to the first aid room and contact the main office.

Irrespective of your association with the school, we request that whilst you are at Fulbridge Academy, you abide by our policies and procedures, which are designed to keep everyone safe.

How to respond to a child's disclosure:

- Listen to the child, don't ignore the disclosure or ask them to tell you later.
- Don't prompt the child or ask them to repeat themselves.
- Let them know you will have to pass on the information and to whom.
- Reassure them that they have done the right thing.

Never agree to keep anything a secret and make sure you pass on the information to a designated member of the Safeguarding Team immediately.
